

Windfall Rafting

Bus Driver

Job Description:

The Bus drivers at Windfall control the most dangerous and logistically complex part of the trip: transit to and from the river. Bus drivers are responsible for daily bus safety checks, all bus operation, on time pickups, and for setting safety on each commercial rafting run.

Reports to: River Manager, Windfall Rafting General Manager

Responsibilities:

Drive the bus safely from the Windfall base to the site of that day's expedition.

Check engine fluids, top off gas, and check tire pressure on bus prior to departure.

Add oil, washer fluid, or any other necessary fluids before departure.

Check bus at day's end for any problems. Report any and all issues to Windfall Rafting General Manager or River Manager.

If involved in "put in," ensure that every necessary detail is attended to prior to leaving for put in.

Arrive at base promptly on the morning of your trip.

Treat guests kindly throughout the day.

Class B commercial drivers license with air brake and passenger endorsements required.
