

Windfall Rafting

Part Time River/Rock Guide

Job Description:

The Guides at Windfall Rafting are the primary point of contact between Windfall Rafting and its guests. They ensure the safety of all guests and provide a fun rafting environment.

Reports to: River Manager, Windfall Rafting General Manager

Responsibilities:

Convey guests safely down the Kennebec and Dead rivers while creating a fun and adventurous environment.

Lead trips to Mt. Kenio while keeping groups safe, together, and happy. Belay for climbers on these trips.

Participate in the upkeep of the raft base.

Ensure the safety of all guests on the river and during transit to and from the river.

If involved in "put in," ensure that every necessary detail is attended to prior to leaving for put in.

Participate in meetings after each expedition to evaluate the team's performance and to find ways to improve.

Check boat and equipment prior to putting in on every trip.

Recommended skills include: White Water Guiding Skills (including rescue techniques and instruction), Rock climbing (and belaying), Commercial Driver's License recommended.
